These documents are listed on the accompanying
Form PTO-1449 (submitted in duplicate), and copies are
enclosed herewith.

The documents listed in this Statement were first cited by a foreign patent office in applications of another from which claims were recently copied into this application (see the "Notification Pursuant To 37 C.F.R. § 1.604(b)" in applicants' recently filed "Supplemental Amendment And Notification Pursuant To 37 C.F.R. § 1.604(b) Identifying Published Patent Applications From Which Claims Have Been Copied"). The following identifies each application from which claims have been copied into this application. For each application from which claims have been copied, the following further identifies the references (if published and therefore available to the under-signed attorney) in the International Search Report for that application that are associated with the claims that have been copied. A copy of the available International Search Report for each application is also enclosed herewith.
